

## **January 2010 Advisory Board Mini-Minutes**

The January meeting of the Summerville Catholic School Board was held on January 12, 2010. The upcoming student registration for the 2010 - 2011 school year, and the planning efforts and schedule for the upcoming Catholic Schools Week were discussed. The Marketing Committee has been very active publicizing Summerville Catholic at the parishes, at daycare centers, and in the local newspapers. The January PSA meeting will have a theme of "Creative Cooking with Kids." The carnival will be May 1. The "State of the School," an annual report that has in previous years been presented at the January PSA meeting, will be posted on the web site for wider distribution.
