

April 2010 Advisory Board Mini-Minutes

The April meeting of the Summerville Catholic School Board was held on April 20, 2010. SCS hosted a booth at the Flowertown Festival, and those manning the booth met many prospective families. The Elementary Lego Club won first place and a \$200 gift certificate in a contest designing an underwater scene. The basketball court is now fully funded. Once Diocesan approval is obtained, phase one should take about one week and be completed prior to the May 1 carnival. All families are urged to subscribe and read Tuesday Tidbits to keep informed.
