

May 2010 Advisory Board Mini Minutes

The May meeting of the Summerville Catholic School Advisory Board was held on May 12, 2010. A First Communion Mass was held for all our second graders. There was a special reception after the Mass for students and families. The Sports Banquet was held for students and families in 5th -8th grade. SCS hosted a booth at the Taste of Goose Creek at Immaculate Conception Parish. The town of Summerville has hired a company to collect ads from local businesses that will be advertised on the town's website. The school will be part of that site for two years. The basketball court has been approved by the Diocese and work will begin in early June. The Mayfest Carnival was very successful; especially the staff dunking booth.

A full set of current school year minutes with committee reports attached is kept by the board secretary and the school. It is available for review in the office. Minutes for previous years are also archived in the school office. School budgets and financial reports are kept in the school office.
