

June 2009 Advisory Board Mini-Minutes

The final SCS Advisory Board of the school year was held at the school on June 9, 2009. Among the items discussed was the decrease in the number of students registered for the 2009-10 school year and the impact that will have on the number of classes and class size. Also discussed was the need for air conditioner replacement to be ready for the upcoming school year. Lisa Tanner related the new Bishop visited the school on May 28th. She stated that a “Smart Math” math improvement program will be implemented in the fall. Lisa Tanner also explained the demerit system to be started in the fall.

This was the final meeting for board member Karen Ewens and PSA representative Janice Clutters whose terms have expired.
