

June 2010 Advisory Board Mini Minutes

The June meeting of the Summerville Catholic School Advisory Board was held on June 8, 2010. The graduation Mass and reception was wonderful. We are very proud of our graduates. Prayer partners next year will expand to include the "study buddy" concept. Prayer partners will meet to focus on an academic concept. Adjusting the lunch/recess schedule will continue for next year. The K4 and K5 students presented a "BugFest" program. Parents loved the show! The grants that the Development Committee worked on were not funded. We will try next year. The Annual Appeal was successful and money will go to tuition assistance, landscaping, new soccer goals, and additional technology. The Social Justice Program will continue for next year. Mrs. Tanner gave an overview of expanding our Inclusive Education Program. She has been working closely with Sr. Julia and the Catholic Schools office. Mrs. Tanner shared the PeaceBuilders Program and would like to begin using various aspects of this program next year.

A full set of current school year minutes with committee reports attached is kept by the board secretary and the school. It is available for review in the office. Minutes for previous years are also archived in the school office. School budgets and financial reports are kept in the school office.
