The first SCS Advisory Board business meeting of the school year was held at the school on September 23, 2009. New Board members Terri Brisson, Alice Cassanello, Beth Martyn, Ginger Reilly, and Sue Weldey join continuing members Marilyn Brady, Fred Martinez, Bob Peterson, and Ron Synder.

The following committees were approved with chairs assigned for the year: Executive, Finance, Development, Marketing and Communication, Facilities, Mission Enhancement, Policy Planning and Evaluation, and PSA.

Among the items discussed was expansion of after school activities to include art enrichment and recorder lessons, the Social Justice Program where classes reach out to various community organizations, SmartMath being received well by the students, the excellent turnout for the PSA picnic and the record number of active PSA volunteers and committees, and the recommendation to modify slightly the Tuition Accounts Policy. The Board reviewed a report on the highlights of the previous academic year and discussed the Principal's vision for the next three years.
