

December 2012 Advisory Board Mini-Minutes

The fourth SCS Advisory Board business meeting of the school year was held at the school on December 13, 2011. New Board member Nancy LeBlanc officially joined the board from St. Theresa the Little Flower parish.

The Town of Summerville accepted and signed the lease contract for the bike path. This contract will now be sent to the Diocese of Charleston for the Bishop's signature. The school is still waiting on Cogat results. The Diocese will be meeting with the testing company to discuss the challenges that arose with the new ITBS and Cogat tests.

The Board reviewed a variety of surveys in an effort to compile a survey that will be sent home in February. Survey results will be used to help write the next three year strategic plan.

A copy of the full set of current school year minutes with committee reports attached is kept by the board secretary. Minutes for previous years are archived in the school office. School budgets and financial reports are kept in the school office.
