BENJAMIN'S BOX

After Mrs. McMahan's 1st grade students recently read the Lenten-themed book "Benjamin's Box", they presented Principal Mrs. Tanner (above) with her personal box of "Resurrection Eggs". These are a set of 12 plastic eggs that open to reveal various little symbolic items that match many of the treasures that Benjamin collects during the story.

The art show was rounded out by an exhibit in the school library featuring select junior high artists.

SCS ATHLETES GIVE BACK TO COMMUNITY

In keeping with the theme of Service for the month of March, some members of the SCS Girls Basketball spent some time on Saturday, March 20th "giving back to the community" at the local Coastal Center on Miles Road. In exchange for the use of the center's gym, the girls washed windows on five of the buildings on the campus.
