SCS Welcomes our Grandparents & Special Friends

SCS students invited grandparents, aunts, uncles and family friends to join us for our annual Grandparents and Special Friends Mass and celebration this past Thanksgiving. Grandparents traveled from across the country for a special Mass, reception and an opportunity to visit the school.

SCS friends and family were treated to delicious snacks provided by our PSA and family photos were taken outside by our school garden. Our media center hosted a book fair where students and guests could do some holiday shopping. Students created a personalized wish list for the book fair and were very excited to have grandparents so willing to support their love for reading.

Students gave tours of the school to their grandparents and special friends and were proud to share their fabulous work that decorated the hallways.

December Terrific Kids

Shelby Carney 1-E

Logan Davids 2-H

Mackenzie Penton 2-M

Sara Kavalakkat 3-P

Sophie Hilbourn 4-M

Emily Lynch 5-T

**We would like to thank the
Kiwanis Club for their support!**

Sunday, January 29th from 1:00-3:00 PM

Clemson vs Carolina

SCS recently sponsored a food drive that not only helped the needy in our community, but sparked some spirit for the annual Clemson versus Carolina football game. Students were asked to bring one or more non-perishable food items to school and place them in the container designated for their favorite team. Every day during the school's morning announcements, the stats were given letting the children know which team was ahead. Students continued to bring in food in an effort to retake the lead if their team was falling behind. But the real winners are the needy children from our local area schools who were the recipients of the food collected from the food drive.

The Aquarium visits SCS

SCS primary grade students were treated to a special program presented by the South Carolina Aquarium. Children learned how animals survive in different habitats and the life cycle of various animals such as logger head turtles and rainbow trout. Here is what some of our students had to say:

"I liked feeling the snakes." Samuel Gerhardt

"I liked the little owl that lost its wing." – Marisa Blunt

"I liked all the animals except the snakes." Lauren Sizemore

"I learned snakes have bones." – Zachary Smear

"Whenever a baby alligator cries for its mother, it makes a croaking noise." – Katie McCormack

Annual Appeal Campaign

There have been many new and exciting changes at SCS thanks to the support of our school community and the success of our Annual Fund Campaigns. Like the ripple in a pond, one donation is added to another donation which is added to more donations that eventually spread out and touch the lives of every student here at Summerville Catholic School. We would like to thank all those parents, grandparents, parishioners and friends who have given to the Annual Appeal. Our recent campaigns have enabled SCS to upgrade technology with new computers in the lab, a class set of notebook computers, and additional interactive boards in the classrooms. Our 2011-2012 campaign will continue through June.
