

Summerville Catholic School Athletic Policies/Jr High Baseball registration form

Dear Athlete and Parent/Guardian,

Welcome to the athletic program for Summerville Catholic. We are happy that you have expressed a desire to participate in our program. As a member of one of our athletic teams, you will have the opportunity to make new friendships, develop athletic skills and learn about cooperation, sportsmanship and commitment.

The athletic program for Summerville Catholic continues to grow each year. With the help of volunteers and teachers, the program promotes a sense of belonging and embraces outstanding sportsmanship and fair play.

The philosophy of the Summerville Catholic sports program is to maintain a variety of sports that will allow all students with athletic interest an opportunity for safe, healthy participation in the sports of their choice. All student athletes are expected to maintain a high standard of behavior on and off the playing field. Showing a spirit of good sportsmanship is expected for all our athletes. This is achieved when participants play hard, play safe, respect the opponent, coaches and officials and accept the results of competition. Students must also stay in good standing academically as stated in the student handbook. Failure to adhere to the terms and conditions of this agreement could result in the loss of a student's athletic participation at Summerville Catholic.

We appreciate your support of our athletic program as we strive to strengthen our students in spirit, mind and body.

Sincerely,

Jean Fox
Athletic Director

Lisa Tanner
Principal

At this banquet, athletes who have played two or more sports for the first time in one year will receive their SCS Letter. This letter can be used to collect additional sports pins that will be awarded each year. The Seahawk Award will also be presented to a qualifying 8th grader(s). Information about the Sports Banquet will be sent home in early spring.

Academic Probation Policy on Sports Program Participation

The mission of Summerville Catholic School includes "strengthening our students in spirit, mind and body." This statement indicates that the first priority is spiritual development, followed by academic achievement with the third area being physical health. Therefore, students who are not achieving academically, defined as having a grade of **"F" in two or more major subjects**, will be ineligible to play in any game in the sports program during the four week period following the receipt of these grades. Grades are calculated approximately every four weeks with progress reports sent home at the four week mark of each quarter and report cards sent home at the end of each quarter. Once the next set of grades are calculated and sent home, if the student no longer has a grade of "F" in two or more subject areas, the student will then be eligible to play in games. Students are required to participate in practice during the period of ineligibility if they wish to play in games when they re-establish eligibility.
